**MAZON**

A Jewish Response  
To Hunger

Inspired by Jewish values and ideals, MAZON is a national advocacy organization working to end hunger among people of all faiths and backgrounds in the United States and Israel.

MAZON, which means "food" or "sustenance" in Hebrew, was the first national organization to rally the American Jewish community around the issue of hunger and remains the only national Jewish organization dedicated exclusively to that same cause.

If you would like to partner with MAZON to end hunger as part of the Temple Rodeph Torah Community, you can send a check payable to Mazon to the temple office at P.O. Box 125 Marlboro, NJ 07746 (all checks will be forwarded as a group) or go to [trt.org/mazon](http://trt.org/mazon) to donate by credit card. Our TRT fundraiser for Mazon ends on October 30<sup>th</sup>.
