Nefesh Mountain is the place where American Bluegrass and Old-time music meet with Jewish Heritage and tradition. Band leaders, genre-pioneers, and husband and wife Doni Zasloff and Eric Lindberg are the heart of this eclectic offering, and share their love for American music, their own cultural heritage, and each other with audiences throughout the world. Complete with the kind of adept string virtuosity and through composed arrangements one

would hope for from a newgrass band with influences from Bluegrass, Old-Time, Celtic, and Jazz, they also play and sing Jewish worship songs of the heart creating music with a sense of diversity, oneness, and purpose for our world today.
