

Temple Rodeph Torah

Memorial Book – 5781/2020

At the rising of the sun and at its going down
we remember them.

*At the blowing of the wind and in the chill of winter
we remember them.*

At the opening of the buds and in the rebirth of spring
we remember them.

*At the blueness of the skies and in the warmth of summer
we remember them.*

At the rustling of the leaves and in the beauty of autumn
we remember them.

*At the beginning of the year and when it ends
we remember them.*

"As long as we live, they too will live: for they are now a part of us,
as we remember them."

*When we are weary and in need of strength
we remember them.*

When we are lost and sick at heart
we remember them.

*When we have joy we crave to share
we remember them.*

When we have decisions that are difficult to make
we remember them.

*When we have achievements that are based on theirs
we remember them.*

"As long as we live, they too will live; for they are now a part of us,
as we remember them."
